

## VERB SONG *Tune of Twinkle Twinkle*

A verb can tell you what to do  
A verb is an action, yes it's true!  
Run, skip, hop are action words  
They are all examples of verbs  
A verb can tell you what to do  
A verb is an action, yes it's true

We can practice verbs each day  
Find an action and let's play!  
Jump and reach, those are verbs  
Smile and walk, they're verbs too  
A verb can tell you what to do  
A verb is an action, yes it's true!

A verb can tell you what to do  
A verb is an action, yes it's true!  
\_\_\_\_, \_\_\_\_\_, \_\_\_\_ are action words  
They are all examples of verbs  
A verb can tell you what to do  
A verb is an action, yes it's true

We can practice verbs each day  
Find an action and let's play!  
\_\_\_\_ (and) \_\_\_\_\_, those are verbs  
\_\_\_\_ (and) \_\_\_\_\_, they're verbs too  
A verb can tell you what to do  
A verb is an action, yes it's true!
