

Evaluate

- Write down what the problem is or the behavior that needs to be addressed
- Be specific and objective
- Try to take your emotions out of it

Assess

- What do I want?
- Define objective treatment goals to treat this specific behavior or problem
- Make the goal measurable

Design

- How am I going to achieve my goal?
- Specifically, how can MUSIC help me achieve my goal?

Implement

- Create a treatment plan with measurable steps
- Determine a baseline
- Re-assess treatment options within 4-6 sessions.
- Start the process again as needed
