

Primary Singing Time Resource List

Some favorite sites for ideas and resources:

- Lots of flipcharts and teaching ideas. Janel was released from her calling late 2019 so I'm not sure how active she'll be in 2020, but she has loads of resources on her well-organized blog. Another great page of hers: <https://www.primarysinging.com/song-planner-printable/>

- Sharla Dance, super-expert for teaching primary music. Many ideas on her blog. You can also buy her 2020 workshop (nearly 3 hours of teaching ideas and managing your flow for singing time). \$12 for the video here: <https://gumroad.com//PrimaryMusicWorkshop2020>

Facebook Groups: Nice to use when I need ideas for something specific. I like that you can search each group in the search bar such as a specific song (i.e. "Nephi's Courage) or a specific tool (i.e. "ribbons") or anything, and it will pull up any post with those words and a plethora of ideas.

- Latter-day Saint Primary Music Leaders - a very popular Facebook group where tons of ideas are shared by primary music leaders all around the world (about 35,000 members).
- Sharla Dance Teaching Methods - this is smaller Facebook group, only a couple thousand people, who specifically share ideas based on Sharla Dance's methods for teaching primary.

Build your arsenal of reusable/versatile tools to make singing time engaging each week...
