

Pop up choir invite. Every choir member was given 2 cards (they can take more if they'd like) and asked them to give them to someone prior to sacrament when we did a pop-up choir.

TODAY

The Choir will be singing Joseph Smith's First Prayer. We will be inviting any who would like, to come up and join us.

Although everyone is welcome, you have been especially invited by a member of the choir.

We look forward to you joining us!

A little birdy told me you would make a great addition to the Ward Choir!

Please join the Choir when singing in Sacrament Meeting. We understand your schedule and commitments make attending weekly practices difficult.

*This is your **FREE PASS** to not attend any practices other than the day we sing.*

We hope you will join us!

FREE Pass. I would give these to people that has a desire to sing with the choir but felt guilty that they were not able to attend any practices.

A Little Birdy Told Me. When someone would tell me "I sat next to brother so-and-so and they have a great voice!" I would give Brother So-and-So this card.
